

Montour Woods Conservation Area of Hollow Oak Land Trust
Moon Township, PA
Leader, Sean Brady
April 12, 2015

Twelve folks enjoyed a beautiful, warm spring Sunday walking the Oil Well and Meeks Run trails of the Montour Woods Conservation Area. We were led by Sean Brady of Hollow Oak, and Mike a Duquesne University intern. Of special interest were the many vernal pools with eggs of Wood Frogs, Spotted and Jefferson Salamanders.
