

Trip Report—Jennings Wildflower Reserve, Butler County
 August 6, 2016
 Submitted by Dianne Machesney

Thirty nature lovers took part in the walk. After an overnight rain, the humidity and temperature were both in the comfortable range. After the walk we shared lunch at the shelter and remembered Chuck Tague, our past President, who passed away in June. Jack Solomon recalled a shared cruise, where Chuck expressed his love of Celtic music. As a toast to Chuck, we sang “The Parting Glass”.

Thanks to Dick Nugent for keeping track of the birds seen/heard.

- Birds: 24 species
- Turkey Vulture 1
 - Broad-winged Hawk 1
